

Slide 6

Catalyzing Innovation and Efficiency

- **Empowered Initiatives:**
 - **Open-Ended Chat Interface (OEC)**
 - Aims to provide ‘AI as an Interface’ to applications like **B&E Portal**, **SAMx**, **BASICS**, etc in E&I Commercial.
 - **ROI: \$15 Million** Net Benefits over 5 Yrs.
 - **SAL Email Automation** [Detailed in Project 2]
- **Operational Gains:**
 - Reduced development time through reusable components
 - Streamlined AI integration processes
- **Security and Compliance:**
 - Consistent application of security measures
 - Improved compliance adherence across AI projects
